Notes

1. Figures are approximate and typical. Actual numbers will vary from day to day.
2. Educational and recreational films are shown in the chapel approximately once a week, between October and April, in place of the morning or evening recreation period, on a rotating schedule, so that all floors get to see the film during the course of the week.
3. Day Room recreation consists of quiet games, reading, and television; it involves all inmates not participating in a regularly scheduled activity, hence, the number involved vary widely.
4. Number of inmates involved varies widely from day to day.
5. During the summer months, all groups scheduled for afternoon and evening recreation, go to the roof; during the winter months, half go to the chapel for film programs.
6. A number of activities take place throughout the course of the day, on a variable schedule, with each floor, in turn, serviced — mobile library, commissary, clothing exchange; or between regularly scheduled activities — haircuts, additional showers, etc.
7. Meetings of "Narcotics Anonymous" take place each Sunday at 10:00 A.M.; "Alcoholics Anonymous" meet each Sunday at 12:45 P.M.
