On March 13, 2019, the Correction History webmaster, with the aid of 21 PowerPoint/PDF slides, spoke at a meeting of the Correction Officers For Christ about “*Some Interesting Chaplains in NY Correction History.*” **Ctrl-Clicking the above image accesses the slides.**

At the meeting in St. Mark’s AME Church on Northern Blvd., Jackson Heights, the webmaster noted that the 10 chaplains covered in this particular presentation simply represents some of the many chaplains he encountered either personally and/or through his research into New York Correction History, city, state or county. He invited members of his audience to suggest the names of other chaplains they have met or read about – whether priest, reverend, minister, rabbi, imam, sister, or other spiritual leader – whom they thought had an impact of note in NY Correction History.

To that end, copies of a flyer with his contact information were distributed:
 Thomas C McCarthy, www.CorrectionHistory.org webmaster CorrectionHistory@gmail.com
 The flyer copies spelled out the web address for the PowerPoint/PDF slides series:
<http://www.correctionhistory.org/chaplains/10-Chaplains-in-NYC-Correction-History.pdf>
Those reading this starter for the presentation need only Ctrl-Click the above image. Website readers also are invited to submit names of notable Correction chaplains who have impacted NY Correction History.
